

Novel Quest is a free, annual, motivational challenge to writers to complete their novel writing or editing goal (e.g., 60,000 words or 60 hours of editing or some combination of the two) during the thirty days in November. There are regional in-person, virtual, and hybrid events to help participants stay motivated while having fun in the process.

## SET YOUR GOALS

This is a choose-your-own-adventure writing challenge. You have one month to write, edit, and/or do both. With our tracker, you have the freedom to do both!

## TRACK YOUR DAYS

Our Google Sheets-based tracker is robust enough for you to track your days and see whether you achieved your goals. If they opt-in, you can also see how others in the region are fairing.

## WIN BADGES

We have fun, adorable badges that you can win by hitting certain goals. Some are goal-based, and others are silly. All are fun to collect.
